## by Eric Giroud

Under the nib of his pencil, time indulges itself in revealing its personality. Eric Giroud shapes the hours. Through his collaborations with numerous watchmaking brands including MB&F, this Swiss designer reveals his openness to the world, nurtured by the arts. Music lover, contemporary art collector and architect, Eric takes it upon himself to fuse the artistic and cultural universes that nurture him in order to create designs which are recognised by the profession and acknowledged with numerous prizes.
